Thank you for joining or renewing your membership in the Ottawa Rocketry Group! Your dues help your club to support you with pads, rails, rods, launch system and access to flying sites that enable us to enjoy this engaging and rewarding hobby. Please keep your Tripoli Rocketry Association and ORG membership cards in your rocketry gear so that any question of insurance coverage can be quickly dispensed with. Access to our flying sites is contingent on the land-owners goodwill and our ability to maintain a TRA-insured membership. Please remember that we are guests on the flying sites and strive to leave them better than we found them—let’s leave nothing behind and if garbage items are found on the sites, please remove them and place in the trash.
